“Mathematics is not a careful march down a well-cleared highway, but a journey into a strange wilderness, where the explorers often get lost. Rigour should be a signal to the historian that themaps have been made, and the real explorers have gone elsewhere.” – W.S. Anglin

Draft Due: Friday, April 3

Final Version Due: Wednesday, April 8

Directions

You have some choice on which of the following problems you turn in but I expect you to think about all of them. Remember, you may discuss any of these with anyone but there is to be no collaboration on how to write them up.

Chapter 2, Section *C*

- Do problem 5
- Do any one of 1, 2, (3&4)

Chapter 2, Section *D*

- Do problem 4
- Do any two of problems 1, 2, 5, 6, 7, 8, 9, 10, 11, 12
